## turtle trax

- Portable modular rail crossing system provides safe crossing for most types of vehicles during rail repair.
- Durable, ergonomic modules.
- Quick and easy on-site assembly.\*
- Patented design.

There's no need to have local law enforcement on hand to redirect traffic or close crossings for repairs. From start to finish, TurtleTrax installs in less than two minutes, using either sledge or air hammer. Puzzle design locks the multiple pieces securely in place.
